VICTORIA REED PHOTOGRAPHY

# Welcome

*The images we  
create together  
will become  
your first  
family heirloom.*

Congratulations on your recent engagement! I'm so honoured that you're considering having me spend your wedding day with you! Wedding photography is a lot of things, but most of all it's an investment in someone to capture and document your wedding day.

When your wedding day is done, the cake has been eaten, the dress is hung up, you are left as newlyweds with your wedding photographs.

Spend some time reviewing this guide. If after reading this, you feel like we'd be a great match for each other and you like my packages, get in touch to arrange an appointment with me or give me a call so we can chat further!

*I make it simple,  
keep it informal &  
capture all the  
important  
moments.*

# About Me

**VICTORIA REED**

I am a married mum of two who lives in Barnsley, South Yorkshire. I've been specialising in wedding photography since 2007.

I chose to specialise in weddings as it's what I love, it's what I enjoy and every day at work is a happy day.

I am Licentiate qualified with the Society of Wedding and Portrait Photographers and a qualified member of the Guild of Photographers.

I am recommended by local venues such as Bagden Hall Hotel, Kings Croft Hotel and Cubley Hall.

I like to keep things simple, I'm not too formal and I love to capture the spontaneous moments. Instead of spending your entire day posing I like to allow time to let your natural emotions show and focus on your personal interactions.

Of course, I will snap photos of you with your most important people but I pride myself on managing your wedding day effectively so that there's more time for you to enjoy your day.

It's your wedding day, it's all about you, I'm just there to ensure you have a fantastic day and great photographs that you will treasure forever.
